

Information on the processing of personal data

NIBE Energy Systems, company no. 5764775 (“NIBE”), processes your data in connection with services provided to you by NIBE. We respect your privacy and want to inform you therefore about how we process your data.

NIBE is the controller for the processing of your data. You can contact us by following this link to our contact form.

NIBE HOME CUSTOMERS

PURPOSE AND LAWFUL BASIS

We process your personal data to contact and correspond with you in order to supply products and provide associated installation and warranty services.

The legal basis for this processing is that it is necessary for the performance of a contract with you. Where relevant, we may also process your data based on our legitimate interests in improving our products and services and maintaining the quality of our customer support, provided these interests are not overridden by your rights.

Erasure

CATEGORIES OF DATA

Name
Email
Telephone number
Address
Payment details (where necessary for processing purchases)

HOW LONG DO WE KEEP YOUR DATA?

We retain your personal data for the duration of the warranty period. Following the end of the warranty period, we will retain certain personal data for an additional period of 6 months, where necessary to respond to enquiries and direct you to appropriate service partners for support. This processing is based on our legitimate interests in supporting the continued use of our products, provided these interests are not overridden by your rights.

YOUR RIGHTS

You have rights under data protection law in relation to your personal data. These include the right to request access to your personal data, to request correction of inaccurate data, and to request the deletion of your personal data in certain circumstances.

To exercise any of your rights, please contact us using the details provided in this notice. We will consider and respond to all requests in accordance with applicable data protection laws.

Please note that some rights may be subject to limitations, for example where we are required to retain certain information to comply with legal obligations or to establish, exercise, or defend legal claims.

WHO HAS ACCESS TO YOUR DATA?

We will share your data with our design and installation partners and service representatives to contact you regarding installing and servicing your product. We also share your data with our IT providers within the NIBE Group.

PERSONAL DATA PROCESSING OPERATIONS

CONTACTS FOR BUSINESS, SUPPLIERS AND THIRD PARTIES

PURPOSE AND LAWFUL BASIS	PROCESSING OPERATIONS	CATEGORIES OF DATA
<p>We process your data so we can contact and correspond with you in your capacity as a contact for a company. The legal basis for processing is our legitimate interest, which consists in establishing effective partnerships in a business context.</p>	<ul style="list-style-type: none">• Storage• Recording• Reading• Erasure• Updating	<ul style="list-style-type: none">• Name• Address• Telephone number• Email
<p>HOW LONG DO WE KEEP YOUR DATA? We keep your data for as long as we have a current business relationship with you. By current business relationship, we mean that there has been active correspondence between the parties or a transaction, such as, for example, a payment, within two years of the last activity.</p>		
<p>WHO HAS ACCESS TO YOUR DATA? We share your data with IT providers and potential business partners within the NIBE group.</p>		

NIBE MYUPLINK

PURPOSE AND LAWFUL BASIS	PROCESSING OPERATIONS	CATEGORIES OF DATA
<p>We process your data to enable us to provide you with the NIBE myUplink service. The legal basis for processing is fulfilment of the agreement between you and NIBE.</p> <p>Where the smartphone app is used, we check the storage space on your device so we can download images from NIBE myUplink locally. We can then modify and erase the images we have downloaded. The images we use are the images that are displayed in NIBE myUplink's interface (e.g. icons and background images). The images that are used belong to NIBE. NIBE doesn't use images that are owned by you or that access your camera. The purpose of the use of images is to make the application more effective.</p> <p>We need to collect the data to be able to enter into a contract with you. You don't have to provide your data. However, if you don't provide your data, we may not be able to provide you with the services you require.</p>	<ul style="list-style-type: none"> • Storage • Recording • Reading • Erasure • Updating • Transfer 	<ul style="list-style-type: none"> • Name • Address • IP address • Email <p>Where the smartphone app is used, the following data is also processed.</p> <ul style="list-style-type: none"> • The ID number of the device • Information about the device's Google account (not applicable to Apple phones) • The android version of the device (not applicable to Apple phones)

HOW LONG DO WE KEEP YOUR DATA?

If you use the free version of NIBE myUplink, we will store your personal data while you are a NIBE customer. If you use the paid version of NIBE myUplink, your data will be stored while you are a NIBE customer.

WHO HAS ACCESS TO YOUR DATA?

We share your data with IT providers. Your data is also shared with those individuals you have invited to have access to it. You can control the level of authority of invited individuals and you can stop them accessing your profile at any time. Data from NIBE myUplink may also be disclosed to other providers of applications that you choose, such as different types of smart home solutions. Your data is disclosed in this way by you yourself choosing to use an application and then linking it to NIBE myUplink. NIBE can't control how the recipient uses your data. You are recommended to review the privacy policy of the recipient before connecting the application to NIBE myUplink. If you as a user have consented to a service partner having access to NIBE myUplink, your data will be disclosed to this service partner.
